

MINI HELMET SCALE 1:2

George Russell

Bell Mini Helmet Scale 1:7

- Limited series of 750 units only
 - MAILIAMS RACING PARASONS

- In celebration of the 750th GP of Williams Racing, which was held at the circuit laid out on the city streets of Monaco, Bell Racing Helmets will launch a limited series of 1:2 scale mini helmets with the specific design used by George Russell himself for this special occasion.
- As for our full-size racing helmets, this high quality 1:2 scale Bell Mini Helmet has been hand made by our team of skilled craftsmen operating in the same factory where the racing helmets of George Russell are made.
- Using high technology components, the shell, the interior and the visor are made with similar materials as our real racing helmets.
- Unlike conventional models, this miniature helmet has been designed by our team of recognized leaders in the racing helmet industry, featuring a high level of engineering excellence.
- D-Ring numbered
- Certificate of Authenticity
